

INVESTMENT RECOMMENDATION FORM

The Community Foundation's investment program offers the flexibility to customize your fund's investments to meet your charitable goals, whether they be intermediate or long term.

There are two ways to participate:

OPTION 1: HAVE YOUR TRUSTED FINANCIAL ADVISOR MANAGE YOUR FUND

With this option you can benefit from custom investment management by an advisor you already know and trust.

If this option is right for you, simply put the Community Foundation in touch with your financial advisor and our team will take care of the rest.

OPTION 2: SELECT YOUR OWN MIX USING ONE OR MORE OF THE COMMUNITY FOUNDATION'S INVESTMENT POOLS

The Community Foundation's investment pools allow you to match your investment strategy with your risk tolerance and long-term objectives for your fund. The pools are organized according to asset class and include the following: Money Market, Short-Term Fixed Income, Intermediate-Term Fixed Income and Equity.

You may change your investment mix as often as you like. Mix changes submitted during the month will be implemented at the beginning of the following month.

The responsibility for managing the Community Foundation's investment program is vested in the Foundation's Board of Directors through its Investment Committee. This committee works closely with staff and the Community Foundation's investment advisors to set policy, establish performance benchmarks and monitor performance. The percentages in the mix options may change from time to time upon Investment Committee review.
