IMPACT STORIES

"Families that were unable to afford daytime programming can now send their child to a safe space each day where students complete their virtual learning, interact with other kids, and participate in activities that keep them healthy and safe."
-Katie Brooks, Alexandria Soccer Association

"The grant funds help Edu-Futuro build capacity to meet the increased demand for intensive case management services for immigrant and Latino families in the City of Alexandria."
-Jorge Figueredo, Edu-Futuro

"Together We Bake has continued to provide post program support services to alumni Team Members. This critical support has been increased and supplemented since the pandemic outbreak. Alumni are disproportionately affected since the majority of alumni work in hourly wage positions in the food service and hospitality industries."
-Stephanie Wright, Together We Bake
