

ALEXANDRIA YOUTH EMPLOYER SPONSORSHIPS

Produced in collaboration with ACT for Alexandria's Youth Employment and Career and Technical Education Working Group

Can't host a young person at your workplace? Want to host a young person AND do even more?

By **sponsoring** a summer youth employment opportunity, you make it possible for a young person to earn income, build skills, and gain workplace experience—while helping develop the future workforce your industry depends on.

Your Investment Helps Cover:

- Youth wages or stipends
- Transportation
- Work supplies and equipment
- Program coordination and supervision
- Professional development workshops

Your support ensures **every** participant can fully engage and succeed!

Recognition & Engagement Opportunities:

Sponsors may receive:

- Recognition in program materials and communications
- Opportunities for employee volunteer engagement
- Invitations to student presentations and celebration events
- Social media and storytelling features

The Return on Investment:

A single summer job can:

- Increase future earnings
- Improve graduation and employment outcomes
- Expand career networks
- Change a life trajectory

Your sponsorship is not just funding a job—it is funding a future. Partner with us to open doors for the next generation of talent.

Together, we can ensure every young person has the opportunity to work, learn, and thrive this summer.
